North York Visual Artists

North York Visual Artists was formed for the purpose of advancing the visual arts in North York. It holds programs for artists and promotes public awareness of art through exhibitions and other activities.

NYVA's 11th Studio Tour & Art Sale opens the doors of studio practice to the public, giving people an opportunity to meet 26 of our artists and discuss their work in an informal, non-gallery setting.

This year, participating artists range from traditional to contemporary, from realistic to abstract, and include photography, printmaking, paintings in oil, acrylic & watercolour, fused glass, pottery, mixed media works and drawings in a variety of mediums. With works both large and small, there is sure to be something to appeal to every taste and every budget.

A percentage of sales from this Studio Tour and Art Sale will be donated to the North York Women's Shelter.

We would like to thank our sponsors for their support of the Arts, and we wish them well in their individual endeavours.
